

Water:

What's the big deal?

A Public Meeting

Thursday, May 19, 2011,

6:30-8:30 p.m.

Grand Junction City Council Chambers

250 N. Fifth Street

Mesa County State of the River Meeting

West Slope water users, the Colorado River District and Denver Water have made public a proposal that would end decades of fighting over the Colorado River. A panel of water leaders will discuss how the proposal works and Grand Valley concerns about the Shoshone hydropower plant.

— For details of the proposal, visit www.ColoradoRiverDistrict.org —

Speakers include:

Steve Acquafresca, Mesa County Commissioner and Colorado River District Board Member

Eric Kuhn, General Manager, Colorado River District

Jim Lochhead, Chief Executive Officer, Denver Water

Mark Hermundstad, Grand Valley Water Attorney

Dick Proctor, Manager, Grand Valley Water Users Association
