

ASSIGNMENT OF CONTRACT

FOR VALUE RECEIVED, _____ (Assignor) hereby assigns, transfers and sets over to _____ (Assignee) all rights, title and interest held by the Assignor in and to the following described contract:

Water Supply Contract with Colorado River Water Conservation District, acting by and through its Colorado River Water Projects Enterprise (“River District”) (CW _____), dated _____.

The Assignee hereby assumes and agrees to pay and perform all the remaining and executor obligations of the Assignor under the Contract and to comply with all terms of the Contract.

The Assignee is a _____ [describe relationship, *i.e.*: individual, company, corporation, limited liability company, municipality, governmental entity, homeowners association, etc.] that will serve the property originally represented to the River District to be served with the Contracted Water. The Assignee hereby agrees that the Contracted Water shall be used in accordance with the terms of the Contract, the River District’s Water Marketing Policy, as it may change from time to time, and in accordance with applicable law and all decrees related to the Contracted Water, including but not limited to Case No. _____, Water Division ____.

The Assignor warrants and represents that said Contract is in full force and effect and is fully assignable. The Assignor warrants that it has full right and authority to transfer said Contract and that the contract rights herein transferred are free of lien, encumbrance or adverse claim. The Assignor further warrants that the Contract is without modification, and remains on the terms contained.

This Assignment shall be binding upon and inure to the benefit of the parties, their successors and assigns.

[If Assignee is an individual as opposed to a corporate entity: Assignee, pursuant to C.R.S. § 24-76.5-103, must provide an executed affidavit, attached hereto as Exhibit A, verifying Assignee’s lawful presence in the United States and a photocopy of Assignee’s valid driver’s license or other proof of lawful presence in the United States. (NOTE: if individual cannot provide a driver’s license or other proof, individual must provide a request for waiver--Page 2 of the affidavit). The River District, in its sole discretion, reserves the right to request additional proof of Assignee’s lawful presence in the United States.]

Pursuant to paragraph ____ of the Contract, the new name, address, and telephone number for notices shall be:

with copy to:

[Pre 4/20/06 contracts:] The contract price will remain as stated in the original Contract because the water will continue to serve the property originally represented to the River District to be served with the contracted water because [*describe either relationship that applies:*] the assignment is made simply to reflect a change in name of the Contractor; [or:] the assignment is from Contractor to an entity that acquired a 100% interest in Contractor.

[Pre 4/20/06 contracts that do not meet above criteria and *all* 4/20/06 and subsequent contracts:] The contract price is charged at the current price as determined by the River District Board at the time of the assignment. Paragraph 3.a. of the Contract, entitled "Contractor's Payments" is amended to read:

- a. In addition to the assignment fee already paid by Contractor, Contractor shall pay to the River District prior to the River District's consent to this Assignment the total sum of \$_____, being \$_____ for each acre foot of _____ acre feet of Contracted Water for the Project Year (July _____ through June _____). The price for each type of water will be reviewed and set annually by the Enterprise's Board of Directors (which decision normally will be made prior to March 1 each year). Any annual increase in the contract price shall not exceed the then-current published Consumer Price Index (CPI) plus New Growth Index (NGI).

This Assignment is conditioned upon the consent thereto by the River District. This Assignment shall be deemed effective upon the date of execution of a Consent of Assignment by the River District.
